

Associate Continuing Healthcare Practitioner

Level 5

24 Months Total Programme
Length

Apprenticeship Overview

This apprenticeship prepares individuals for managing the complex health and social care needs of those affected by disability, accident, or illness. Apprentices will be trained to assess these needs, and to both plan and commission tailored services, ensuring that individuals receive the comprehensive care which they require.

This apprenticeship programme will equip practitioners with the skills needed to serve as the first point of contact for patients and their carers, providing essential support, care, and advice. The blend of in-work experience and academic learning ensures that apprentices are well-prepared to make a meaningful impact in various settings, including clinical commissioning groups, social services, and community healthcare services.

Upon Successful Completion

- Associate Continuing Healthcare Practitioner Apprenticeship: Pass or Distinction
- English and maths (As agreed, flexibilities are available)

Progression Opportunities

- The Bridging Programme (Providing UCAS points)
