

Senior Healthcare Support Worker: Children & Young People Support

Level 3

21 Months Total Programme
Length

Apprenticeship Overview

The children and young people support pathway of this apprenticeship is tailored for healthcare staff who are committed to specialising in paediatric care. It offers an opportunity to refine the individual's skills in nurturing and supporting the health needs of neonates, infants, children, and young people across various settings. Under the mentorship of registered healthcare practitioners, typically registered nurses, apprentices will learn to deliver person and family-centred care.

This programme is designed to enrich the apprentices understanding of paediatric healthcare needs and enhance their ability to support the developmental stages of younger patients. Apprentices will expand their professional skill set and contribute significantly to the holistic care and support of children and young people, paving the way for a deeply rewarding career.
